FITZSIMMONS MIDDLE SCHOOL RECEIVES AWARDS

Fitzsimmons Middle School has earned both the Governor's Distinguished Improvement Award and the John Irwin Award due to their performance on the CMAS assessments.

The Governor's Distinguished Improvement Awards are given to schools that demonstrate exceptional student growth. On the school performance framework that is used by the state to evaluate schools, these schools "exceed" expectations on the indicator related to longitudinal academic growth and "meet or exceed" expectations on the indicator related to academic growth gaps.

The John Irwin awards are given to schools that demonstrate exceptional academic achievement over time. These schools received an Exceeds Expectations rating on the Academic Achievement indicator of the School Performance Frameworks reflecting exceptional performance in Math, English Language Arts, and Science.

Please join us in congratulating the staff and students at Fitzsimmons Middle School. We are all very proud of you!
